1. [] Returned to the Joint Committee on Atomic Energy the original transcript of the Agency's briefing of the Committee on 19 January 1962 with corrections and attachments.

2. [] Returned to William Lowell, of the Senate Internal Security Subcommittee staff, the original page proofs of the index to the Italian translation of Mr. Helms' testimony on Communist Forgeries along with a French translation of one sentence which Lowell requested.

3. [] Returned to Miss Young, in the office of Representative Bob Wilson, the brochure of the Capitol Hill Club which she had made available to us.

4. [] Met with Representative John S. Monagan and advised him that one of our field representatives had met with [] Monagan again mentioned that [] wife, a physician, had been approached by a Government representative on a previous occasion. I advised Monagan that it was my information that the Agency had not been in touch with [] previously. The Congressman indicated considerable interest in this and asked if we could follow up on this. I indicated we were in the process of doing that at this time.
